Recycling

Recycling will be
Easy

Recycling, along with reducing and reusing the trash we produce, is an important component in the effort to preserve our natural resources and reduce environmental pollution. Curbside recycling is your chance to make a difference in our community for future generations with small adaptations to your everyday consumption and disposal habits.

**By sending less waste to the landfill today,
we are building a cleaner, brighter future for tomorrow.**

FREQUENTLY ASK QUESTIONS - GENERAL

What time should garbage and recycling containers be out for service?

All containers need to be out by 7:00 am.

Where should I place my carts for service?

Residents should place their carts **3-5 feet apart** from one another as close to the street as possible. Place the carts facing the street.

FREQUENTLY ASK QUESTIONS - BILLING & ACCOUNT

What are your office hours? We are open from 8:00am to 4:00pm, Monday through Friday.

What is your billing cycle? Residential customers are billed quarterly in advance. Commercial customers are billed on a monthly basis in advance.

Where can I pay my bill? We try and make paying your bill as convenient as possible. You can always mail your payment to our office. In addition we have a drop box at our location. For your added convenience, we offer auto-payment via your checking account and online payment through our website.

Do you have late fees? Yes, we have a late charge of \$5.74 a month or 1.5% per month whichever is greater. If your service is shut off there is also a restart fee of \$22.96.

We offer online bill pay as well as automatic credit card payments.

Am I being billed for the cart? No, we provide one refuse and one recycling cart as part of our standard service. Additional carts may be obtained for an added fee. Although EMADCO retains ownership of the carts, it is the customer's responsibility to keep them clean. Normal wear and tear is expected, however, negligent damage (eg. burned cart), may result in an additional replacement charge.

What happens when I don't pay my bill?
Emadco's Non-Pay Policy is as follows:
The due date is the 10th of the month after the statement date. If payment is not received within 45 days of the statement date you will be charged a late fee and your service will be shut off without any further notice. Once your service has been shut off you will be required to pay in full, plus pay a restart fee. Toters will be pulled 4 weeks after shut off, if no payment is received.
