PUBLIC NOTICE

RE: Waste Disposal Facility Rate Adjustments- Effective July 1, 2023

Dear Madera County Residents:

This notice is to advise you of an adjustment to the solid waste disposal fees at Madera County disposal facilities: Fairmead Landfill and North Fork Transfer Station. At the June 6, 2023 Board of Supervisors meeting, the Board adopted Resolution 2023-082 approving an adjustment to the non-contract/self-hauler tipping fees and flat rate fees at the Fairmead Landfill and North Fork Transfer Station disposal facilities. The attached schedule for the approved 2023/2024 Solid Waste Disposal Facility fees will become effective July 1, 2023.

These disposal fee increases are primarily based on Consumer Price Index (CPI) adjustments, as authorized by Resolution 2019-078, which reflect the cost of goods and conducting business. It is necessary for the County to maintain adequate funding levels to cover the cost to provide solid waste disposal services, fund needed capital projects at the Fairmead landfill such as landfill gas system upgrades, new baseliner construction, and enhanced environmental monitoring to remain in compliance with applicable regulations, as well as ongoing maintenance of the County Solid Waste Facilities. In order for Madera County to continue providing the public with relatively low cost and high level of waste disposal services, it is necessary to adjust rates to absorb the cost of these projects and operating costs.

Should you have any questions regarding the rate adjustments, solid waste capital projects, or other solid waste related items, please feel free to contact the Public Works Department by phone at (559) 675-7811 or by email at solidwaste@maderacounty.com. We appreciate your understanding as we continue to provide this much needed public service.

Respectfully,

Jared Carter
Deputy Public Works Director

Attachment: 2023/2024 Disposal Facility Fees

EXHIBIT C

| 2023/2024 Fairmead Landfill/North Fork Transfer Station Non-Contract/Self Hauler Disposal Fees (effective July 1, 2023) | | | | |
